

# Global Energy Trade Analysis

## Energy Production Analysis

## Commodity Exchange Analysis

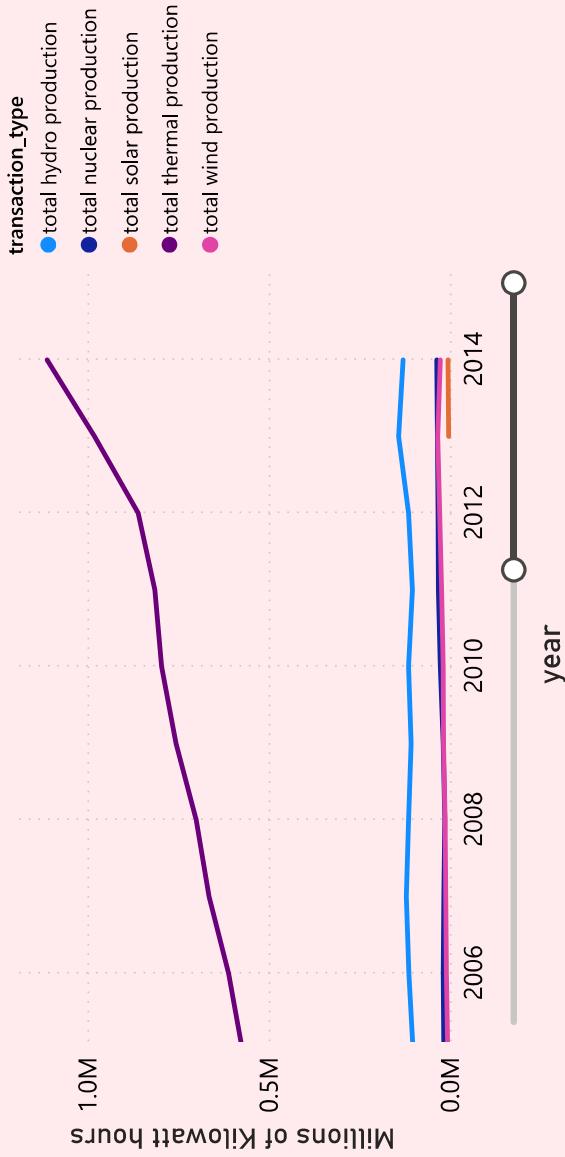

# Energy Analysis based on INDIA

Total Thermal Electricity Production (millions of kilowatt-hours)

**13621.99K**

Total Electricity Production by Year

Total Hydro Electricity Production (millions of kilowatt-hours)

**2280.02K**

Total Nuclear Electricity Production (millions of kilowatt-hours)

**420.50K**

Total Wind Electricity Production (millions of kilowatt-hours)

**208.90K**

Total Solar Electricity Production (millions of kilowatt-hours)

**8.45K**

## Various Commodity Exchange

transaction_type	category	Sum of quantity	unit
imports	bitumen	1150	metric tons, thousand
imports	brown_coal	1	metric tons, thousand
imports	charcoal	16	metric tons, thousand
imports	conventional_crude_oil	2247391	metric tons, thousand
imports	fuel_oil	23487	metric tons, thousand
imports	gasoline	24	metric tons, thousand
<b>Total</b>		<b>5780772</b>	

## Energy Analysis based on United States

Total Thermal Electricity Production (millions of kilowatt-hours)

**70645.01K**

Total Nuclear Electricity Production (millions of kilowatt-hours)

**19065.80K**

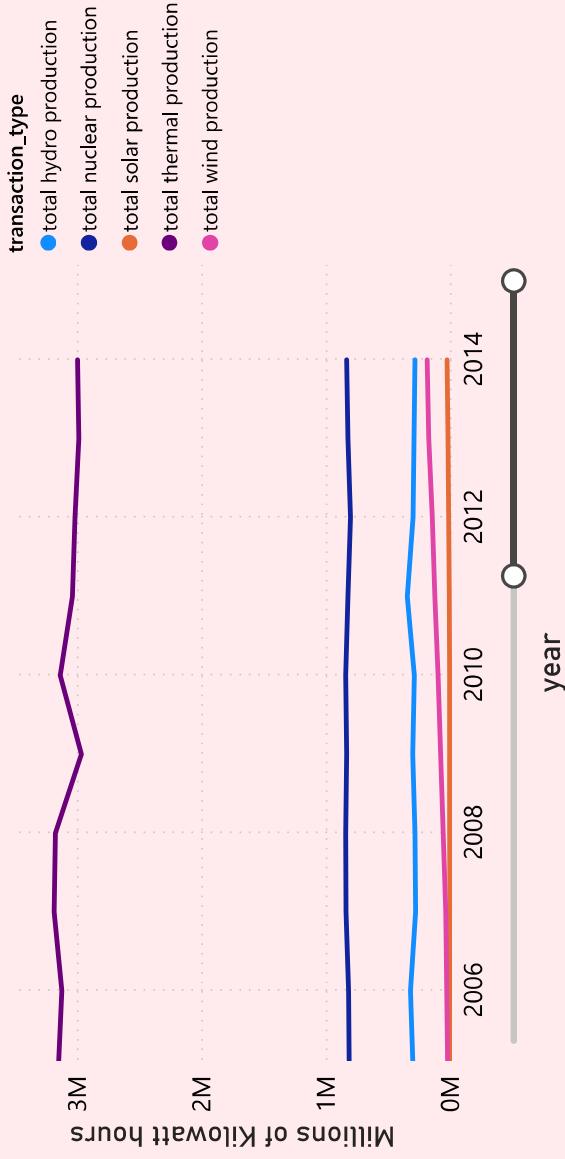

Total Wind Electricity Production (millions of kilowatt-hours)

**1002.37K**

Total Hydro Electricity Production (millions of kilowatt-hours)

**7520.14K**

### Total Electricity Production by Year

### Various Commodity Exchange

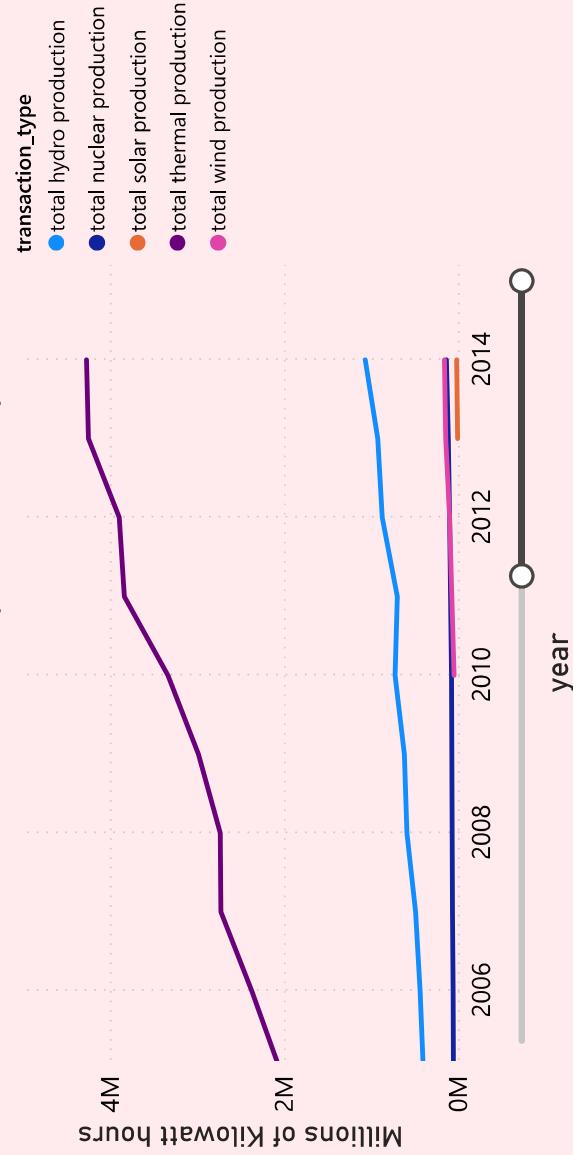

transaction_type	category	Sum of quantity
imports	additives_and_oxygenates	3685
imports	anthracite	214
imports	aviation_gasoline	4C
imports	biodiesel	511
imports	biogasoline	1024
<b>Total</b>		<b>12758529</b>

## Energy Analysis based on China

Total Thermal Electricity Production (millions of kilowatt-hours)

**47107.55K**

Total Electricity Production by Year

Total Hydro Electricity Production (millions of kilowatt-hours)

**9912.32K**

Total Nuclear Electricity Production (millions of kilowatt-hours)

**1051.16K**

Total Wind Electricity Production (millions of kilowatt-hours)

**508.21K**

Various Commodity Exchange

transaction_type	category	Sum of quantity
imports	bitumen	3810
imports	charcoal	261
imports	conventional_crude_oil	277135
imports	fuel_oil	47093
imports	fuelwood	38
<b>Total</b>		<b>1738688</b>

Total Solar Electricity Production (millions of kilowatt-hours)

**20.75K**

# Energy Analysis based on Russian federation

Total Thermal Electricity Production (millions of kilowatt-hours)  
**14682.31K**

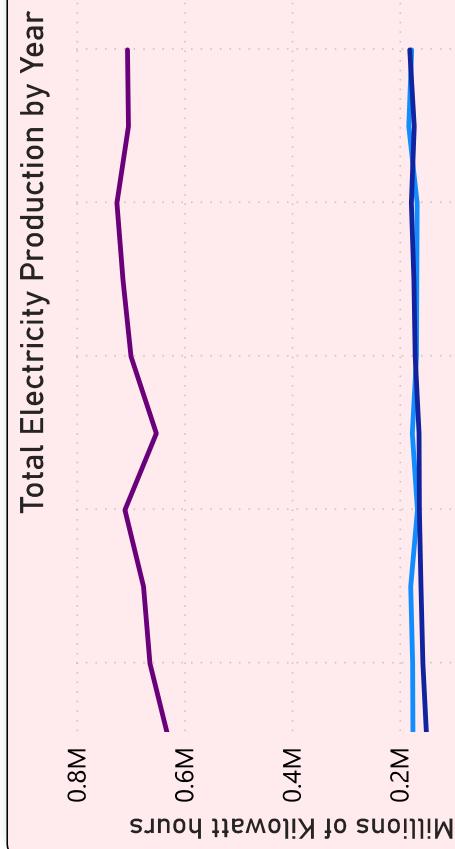

Total Hydro Electricity Production (millions of kilowatt-hours)  
**3907.01K**

Total Nuclear Electricity Production (millions of kilowatt-hours)  
**3251.96K**

Total Geothermal Electricity Production (millions of kilowatt-hours)  
**5.96K**

Total Wind Electricity Production (millions of kilowatt-hours)  
**0.17K**

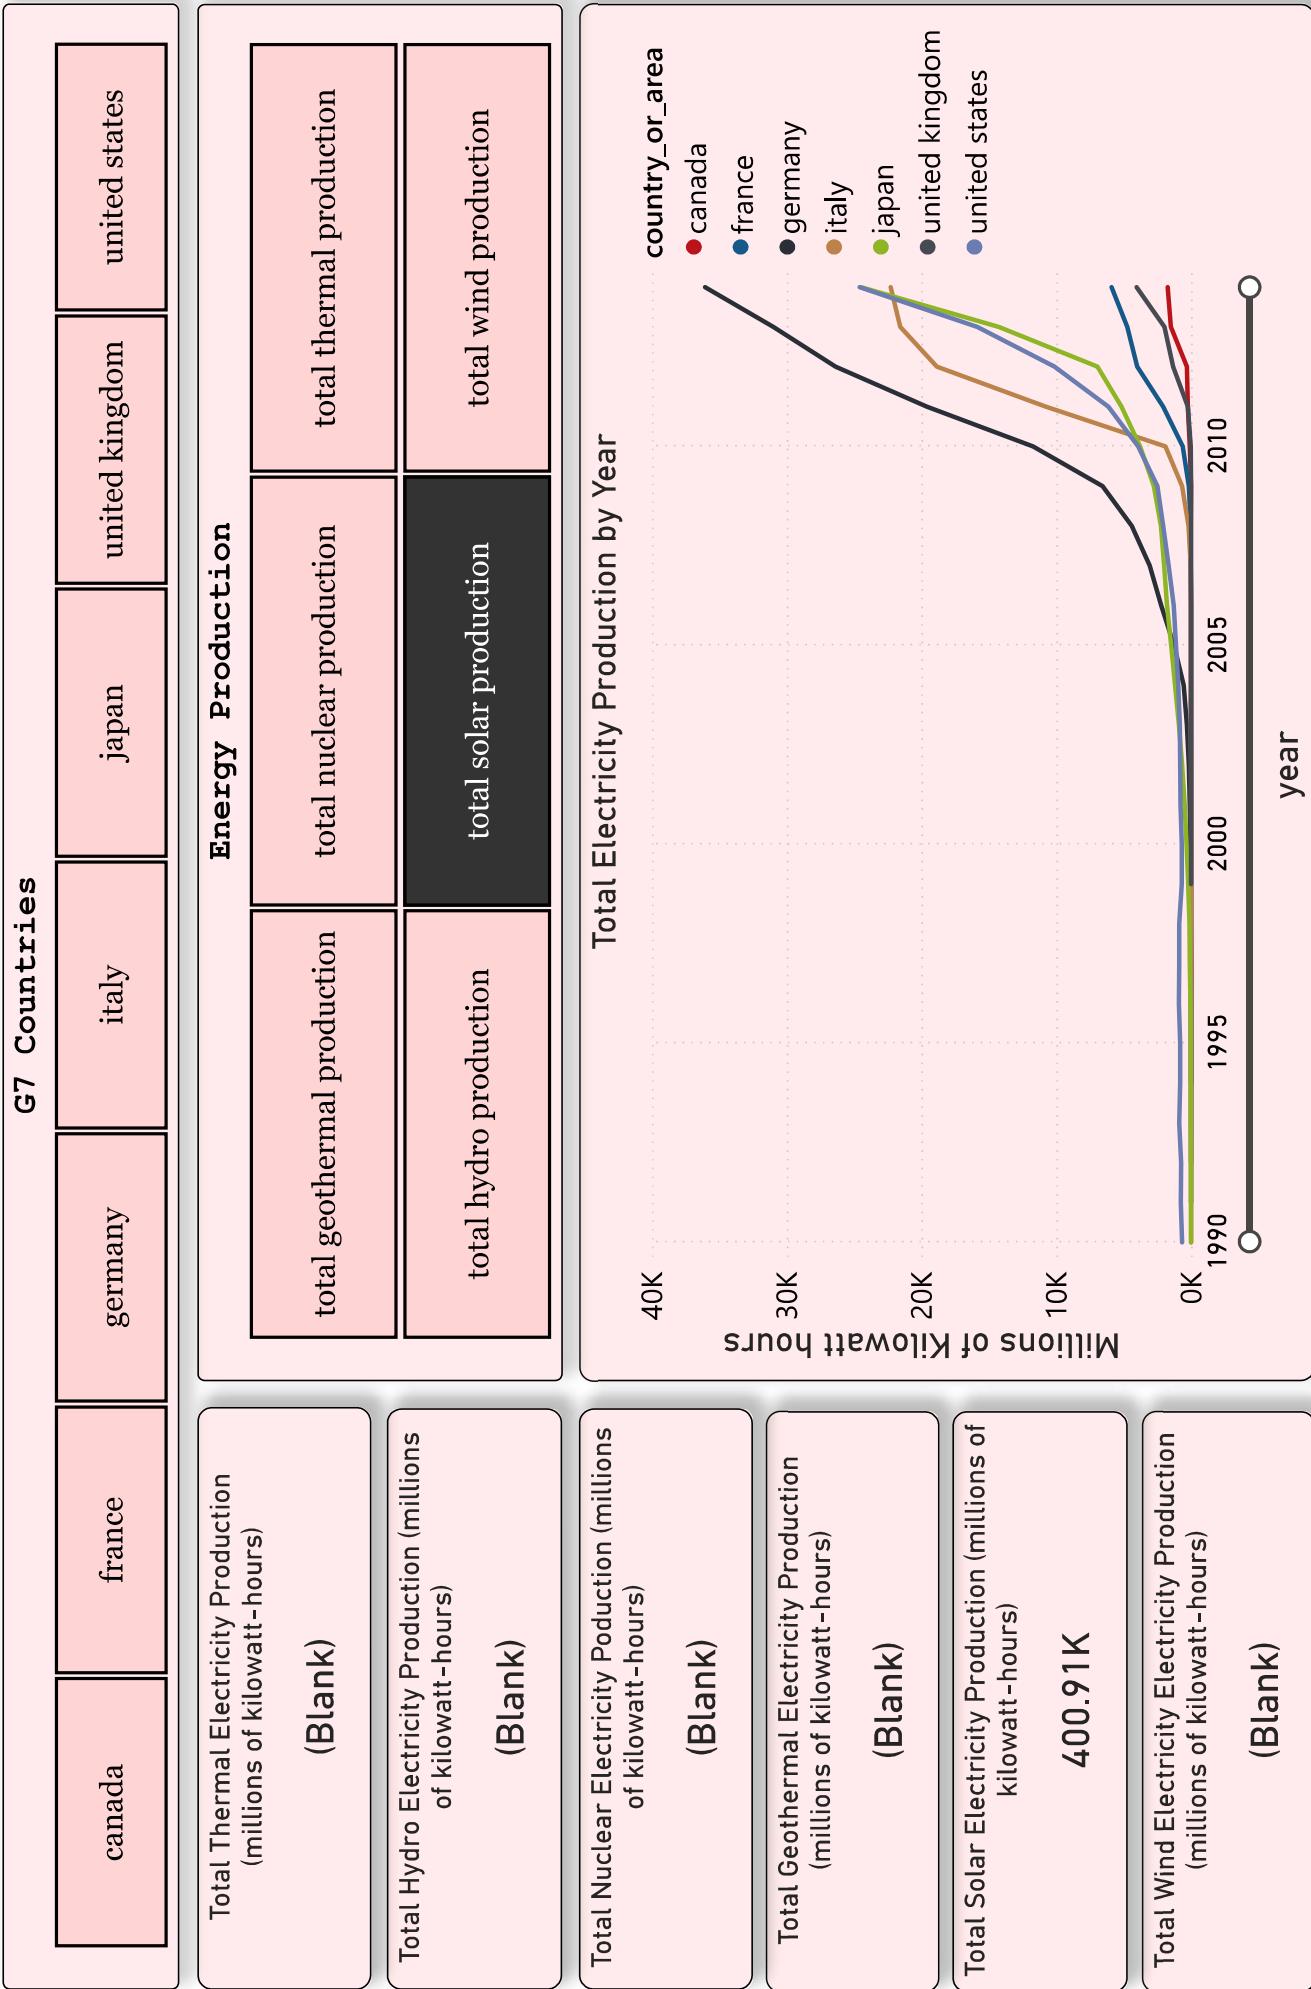

Total Solar Electricity Production (millions of kilowatt-hours)  
**0.16K**

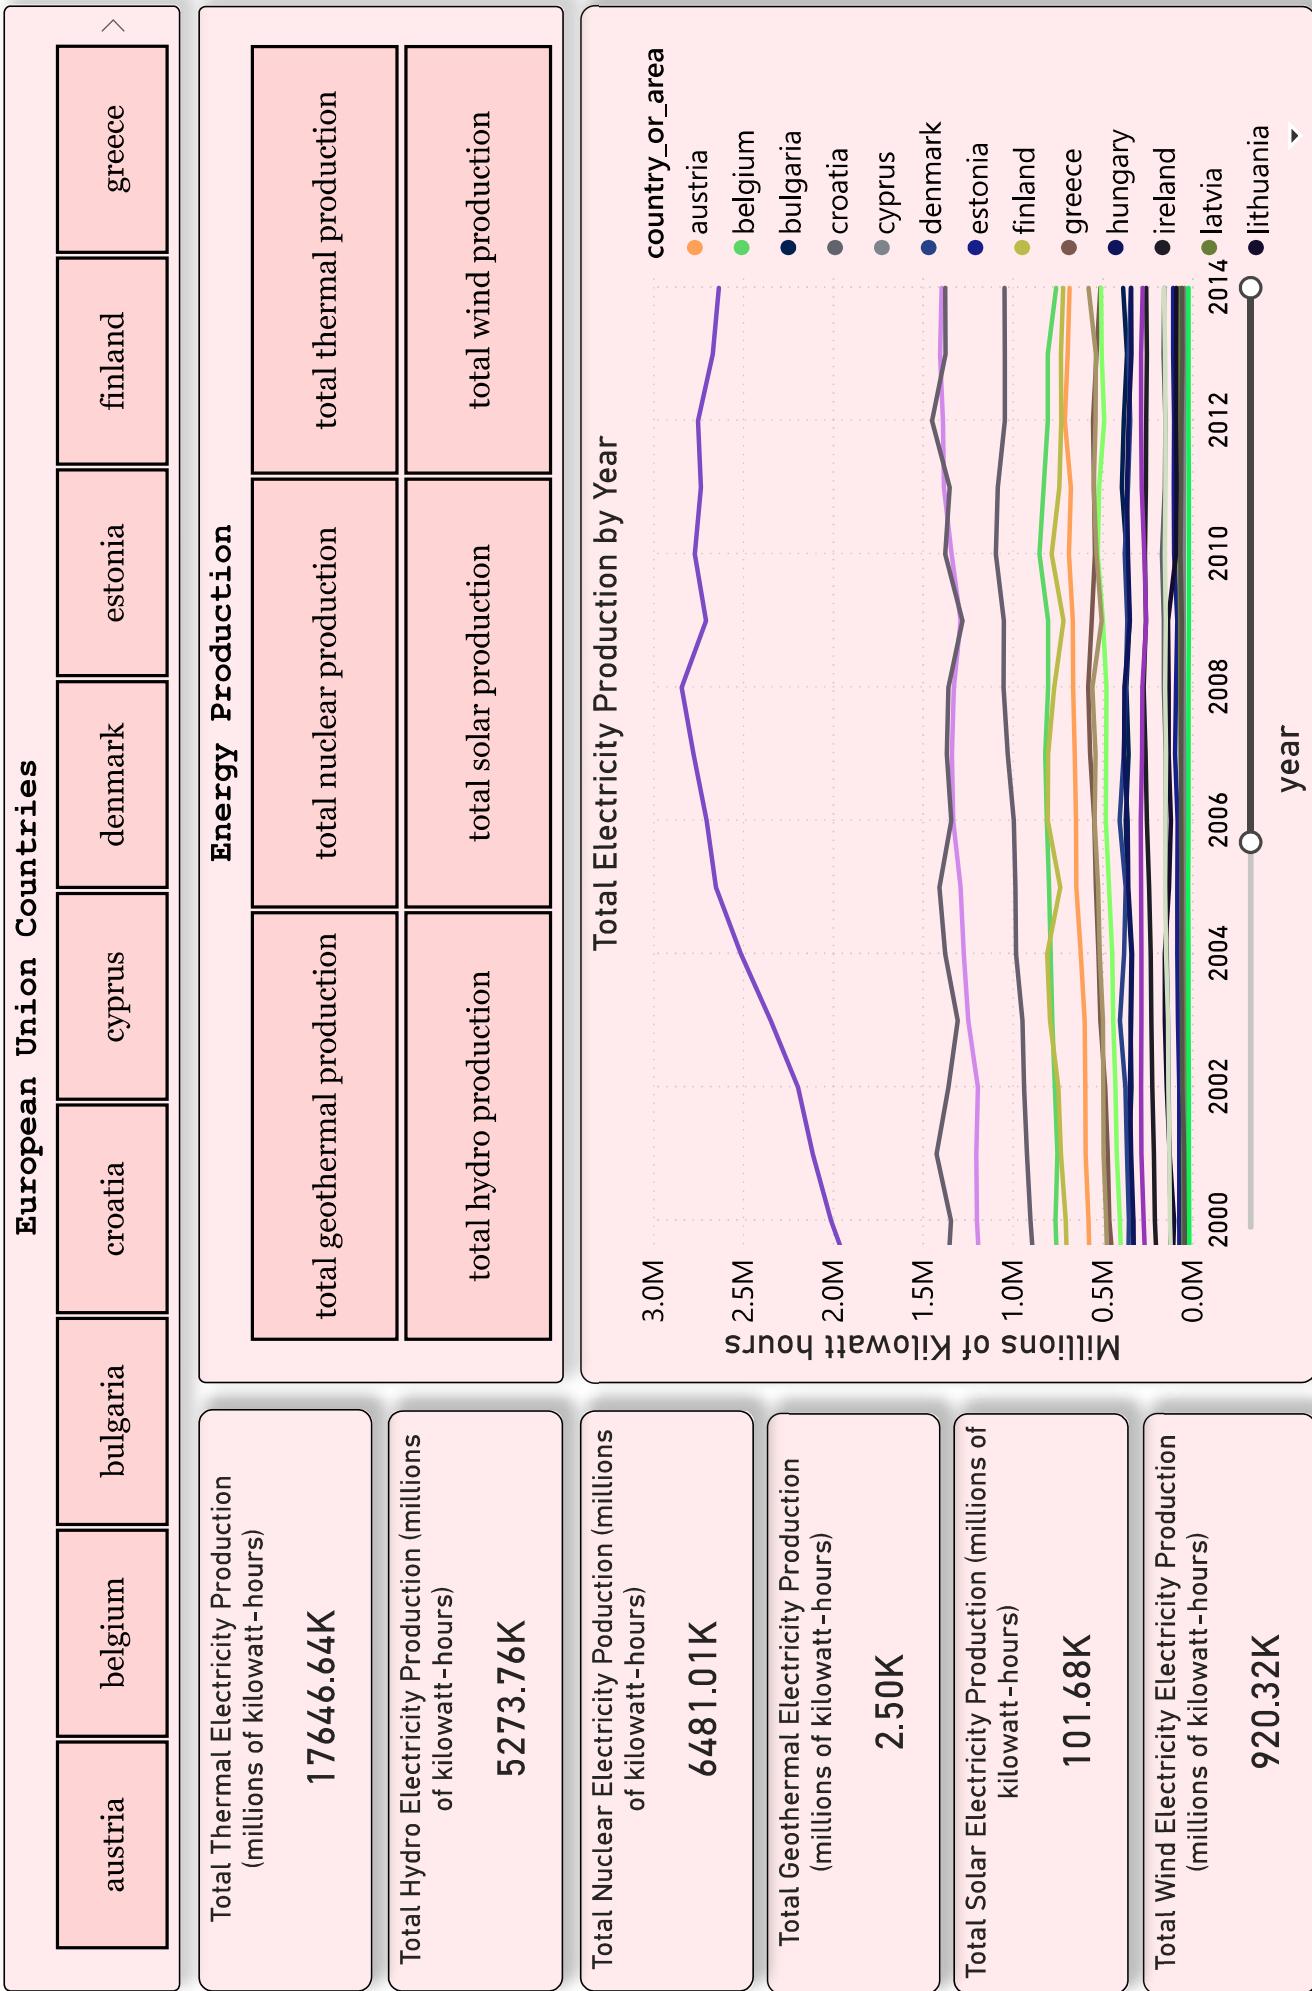

## Various Commodity Exchange

transaction_type	category	Sum of quantity
imports	anthracite	245
imports	aviation_gasoline	2
imports	bitumen	5
imports	brown_coal	962
imports	brown_coal_briquettes	15
<b>Total</b>		<b>1852206</b>
